**NOTES**

- If a color is to be worked again soon, carry it up the side of the work.

-This project uses the German short row technique. The short row is worked the same on the right and wrong sides of the fabric: slip the first stitch purlwise with yarn in front. Tug the yarn up and over the needle, creating a "double" stitch. Continue row as instructed in pattern. On the following row, knit (or purl) into the "double" stitch as a single stitch.
