# Fraile Cardigan

by Cecilia Lalanne and Gabriella Calderini

We wanted to design a garment that combined the qualities of our new yarn, *Ideal*, and our classic and special *Cabrito*. Using a strand of each, we knitted, in "pearl stitch", a loose-fitting cardigan with bishop sleeves, raglan armholes and a round neckline. The result is a relaxed piece, with an extra soft texture and very easy to knit. Are you up for it?

## Final measurements

### Sizes 1 (2, 3, 4, 5, 6, 7, 8)

Bust circumference: 40.75 (43.25, 45.5, 47.5, 51, 55.75, 60.75, 67.5)" / 103.5 (110, 115.5, 120.5, 129.5, 141.5, 154.5, 171.5) cm, buttoned, with 1.25" / 3 cm front bands overlapped.

This garment has a relaxed fit and is intended to be worn with about 6" / 15 cm of positive ease.

The cardigan shown in pictures is a size 4.

You can see the rest of the measurements in the measurement drawing at the end of the document.

## Yarn

**Manos del Uruguay Ideal** (100% Polwarth wool), approx. 219 yds / 200 mts per 100 g.

Quantities:

*Color A (E6543 Nectar)*: 4 (4, 4, 5, 5, 5, 6, 7) skeins.  
*Color B (E2800 Natural)*: 3 (3, 3, 3, 4, 4, 5, 6) skeins.

**Manos del Uruguay Cabrito** (80/5 kid mohair, 20% polyamide), approx. 230 yds / 210 mts per 25 g.

Quantities:

R2800 *Natural* 6 (6, 7, 7, 8, 9, 10, 12) skeins.

## Needles and Tools

- Circular knitting needle 32" to 40" / 80 to 100 cm long in size 5.5 mm / #9 US. (or size to obtain gauge)

- Circular knitting needle 16" to 20" / 40 to 50 cm long in size 6 mm / #10 US for ribbings.

- Stitch holders or waste yarn
- Five 1" / 2.5 cm buttons

## Gauge

14 sts and 32 rows = 4 x 4" [10 x 10 cm] in fisherman stitch, after blocking with 5.5 mm / #9 US needles.

## Abbreviations

**K:** Knit

**P:** Purl

**RS:** Right Side

**WS:** Wrong Side

**St/Sts:** stitch/stitches

**PM:** Place Marker

**SM:** Slip Marker

**k2tog:** knit 2 sts together

**Ssk:** Slip, slip, knit (1 st decrease)

## Special Techniques

### K1b - Knit one below

Insert the right needle into the stitch below the first stitch on the left needle, wrap the yarn around the right needle as if to knit, and pull a stitch through to the front of the work, then drop the first stitch off the left needle.

### Fisherman's Rib

(odd number of stitches)

Work with one strand each of *Ideal* (color A or color B) and *Cabrito* held together.

**Row 1 (RS):** Using color A, slip 1 st purlwise, p1, [k1b, p1] repeat to last st, k1.

**Row 2 (WS):** Using color A, slip 1 st purlwise, knit to end of row.

**Row 3:** Using color B, slip 1 st purlwise, p1, [k1b, p1] repeat to last st, k1.

**Row 4:** Using color B, slip 1 st purlwise, knit to end of row. Repeat these 4 rows for pattern.

### **FRinc - Fisherman's Rib Increase**

K1b, leaving the first stitch on the left needle, yo, work k1b into the same stitch again, then drop the first stitch off the left needle. You have made 3 stitches from 1 stitch.

### **Fdecl - Fisherman's Rib Decrease Left**

Insert the right needle into the stitch below the first stitch on the left needle knitwise and slip the first stitch (both strands) knitwise to the right needle. Temporarily slip the next stitch to the right needle. Insert the right needle from back to front into the stitch below the first stitch on the left needle and lift both strands onto the left needle. Return the slipped stitch to the left needle and knit the double strand and the returned stitch together as if to k2tog, then pass both starting slipped strands on the right needle over the k2tog. You have decreased 2 stitches.

### **FdecR - Fisherman's Rib Decrease Right**

Insert the right needle into the stitch below the first stitch on the left needle knitwise and slip the first stitch (both strands) knitwise to the right needle. K1, then pass both slipped strands over the k1. Insert the right needle from back to front into the stitch below the first stitch on the left needle and lift both strands onto the left needle. Return the stitch that was knit to the left needle, pass both strands over the returned stitch, then slip the returned stitch back to the right needle. You have decreased 2 stitches.

### **W&T - Wrap and Turn**

Knit stitch: With the yarn in front, slip the next stitch purlwise to the right needle, bring the yarn to the back of the work, return the slipped stitch to the left needle, then turn the work.

Purl stitch: With the yarn in back, slip the next stitch purlwise to the right needle, bring the yarn to the front, return the slipped stitch to the left needle, then turn the work. To hide a wrap when you come to it, pick up the wrap with the right needle, place it on the left needle, then knit it together with the wrapped stitch or purl it together with the wrapped stitch as required by the pattern.

## **DIRECTIONS**

Please read before starting the pattern.

- This sweater is worked from the top down, back and forth in rows, starting with the ribbed neckband. At the end of the neckband, back neck is raised using wrap and turn short rows, then the yoke is worked with raglan increases. After completing the yoke, the lower body is worked in one piece down to the lower edge, then the sleeves are worked separately down to the cuffs.

- When working in fisherman's rib, do not cut Ideal at the color changes. Carry the unused color up along the edge of the work to where it is needed again.

### **IMPORTANT**

Always work with one strand each of Ideal and Cabrito held together throughout. If the directions say to use color A, that means one strand of Ideal color A and one strand of Cabrito. If the directions say to use color B, that means one strand of Ideal color B and one strand of Cabrito.

## NECKBAND

Using color A and Cabrito held together and 6 mm / #10 US circular needle, cast on 65 (67, 71, 71, 77, 79, 83, 89) sts.

**Rib Row 2 (WS):** [P1, k1] repeat to last st, p1.

Repeat these 2 rows 2 times, then work RS Row 1 once more.

**Next row (WS):** Using color A and continuing in rib pattern, work 11 (11, 11, 11, 13, 13, 13, 15) right front sts, PM, work 3 raglan sts, PM, work 5 (5, 7, 7, 7, 7, 9, 9) right sleeve sts, PM, work 3 raglan sts, PM, work 21 (23, 23, 23, 25, 27, 27, 29) back sts, PM, work 3 raglan sts, PM, work 5 (5, 7, 7, 7, 7, 9, 9) left sleeve sts,
